

AA CSC Report Jan 13, 2022

1. Requirements to attend virtual AA groups. Discussed the pros and cons of the security protocols some virtual meetings have implemented to avoid Zoom bombers i.e. must provide text# to receive a text with a password.

2. Central Office LA is continuing to receive complaints about an 11:30 pm virtual nightly meeting, that operates under the proper AA meeting guidelines, but has a very raunchy style that some find offensive. Discussed the role Central Office should play in including them in the directory or not. To be continued.

3. Nominations for Treasurer of Executive Board, Ann was nominated and elected.

Update on the last Report

1. The LACOAA is making progress to include more bilingual volunteers (Spanish speaking for starters).

2. Discussed if should we create a new Zone for online-only meetings based in Los Angeles. It's tabled for now
