

DIRECTORY INFORMATION

TO LIST YOUR MEETING IN THE DIRECTORY AND ONLINE:

1. Supply LACO with a completed group information form as soon as your meeting is established. Your group must be in existence for at least 90 days to be listed.
2. The only requirement for membership in your group is a desire to stop drinking.
3. As a group you are fully self-supporting.
4. Your group's primary purpose is to help alcoholics recover through the Twelve Steps. From page 22 of the pamphlet *The A.A. Group*: 'The primary purpose of any A.A. group is to carry the A.A. message to alcoholics. Our A.A. group conscience, as voiced by the General Service Conference, has recommended that "family" meetings, "double trouble" and "alcohol and pill" meetings not be listed in our A.A. directories.'
5. As a group you have no outside affiliation.
6. As a group you have no opinion on outside issues.
7. As a group your public relations policy is based on attraction rather than promotion, and you maintain personal anonymity at the level of press, radio, television and film.
8. Secretaries and officers must register with first and last name, home address, and phone number. Your meeting agrees to relist annually, each time new officers are elected, and anytime your meeting location or times change. This insures we have accurate information for our print and online directories and when our phone volunteers give out information.

NOTE: As stipulated by the Central Service Committee, groups that do not meet these guidelines will not be listed and currently listed meetings found not in adherence will be removed.
